

PAO BEYOND

# 2026 THE EXPLORERS OF THE PRIMEVAL FOREST CAMP

**Date:** August 9 – August 14, 2026 (6 days, 5 nights)

**Ages:** 12-15 years old (Year 7-9)

**Staffing:** 12 participants per group, with 2 outdoor instructors

**Location:** Shennongjia, Hubei Province

**Tuition:** RMB 12,800 per session

This year, we once again partner with top global Outward Bound public welfare organizations to offer an upgraded outdoor exploration experience—a journey to the mysterious Shennongjia.

Over six days and five nights, participants will discover their physical and mental potential, develop resilience and confidence, and strengthen trust and collaboration within their teams.

## COURSE OVERVIEW

### Authentic Adventure:

Participants engage directly with the natural environment under guidance from professional instructors. Safety is prioritized while every participant faces meaningful challenges, fostering courage, resilience, and confidence.

### Deliberate Learning:

Challenges serve as a platform for learning. Through structured facilitation and reflection, students critically examine their values and behaviors, promoting personal growth.

### Immersion in Nature:

Participants experience team living and connect deeply with their natural surroundings, cultivating empathy, responsibility, and collaboration skills.

## COURSE BENEFITS & IMPACT

### International Certification:

Globally recognized certificate from a public welfare organization, enhancing applications for overseas study

### Environmental Action:

Practical application of nature and environmental conservation concepts

### Personal Growth:

Develop courage, confidence, resilience, and empathy

### Team Integration:

Build friendships, improve communication and leadership skills through immersive team experiences

## COURSE SCHEDULE
